Report of Principal and School Improvement Council

Green Sea Floyds Elementary is blessed to have a caring community filled with parents and community support along with a school staff and students who have embarked on the journey of becoming a premier school in our county, state, and nation. We adopted the theme, "On Board the Learning Train", with a burning passion to meet AYP (Adequate Yearly Progress) and improve our Absolute Rating on the SC Annual School Report Card Summary. It has always been our goal to meet AYP and improve our report card rating.

Many instructional initiatives and practices have been implemented as we have continued our journey to the summit of the mountain – a premier school. School-wide instructional initiatives, including professional development with an Everyday Math consultant, a CORE reading consultant, and monthly technology workshops, Literacy workstations, which are developed around the five big ideas of reading (vocabulary, comprehension, phonics, phonemic awareness, and fluency), are a major part of our reading program. Additional reading initiatives are three Reading Recovery teachers who work one-on-one with at-risk first graders. BURST and Passport are new reading intervention programs which provide small group instruction to at-risk students to help them become fluent readers. Around forty students attended the after school Ticket-to-Read computer program of Passport twice a week. The Imagine It! phonics program is implemented in child development through third grade. Notebooking is utilized in grades 2 – 5 to enhance the science and social studies curriculum. Progress monitoring to determine students' academic growth and the need for differentiation of instruction is done three times annually through DIBELS and MAP. Social skills, civic responsibility, and behavioral expectations are taught through the service learning projects sponsored by the student council who collected food for needy families. Over \$1,100 was collected by the students for Pennies for Patients. The PBIS (Positive Behavior Intervention Support) program has a school-wide matrix which emphasizes expected behavior with an emphasis on the three R's: Respect, Responsibility, and Relationships. Mentors from Coastal Carolina University contributed 48 hours of volunteer service. The Peer Pals Program consisted of 70 fifth grade students working with younger students. Our PTA funds our Super Student celebration with incentives and programs. Each 9 weeks, an average of 73% of our students earned this for academic achievement and good behavior. The PTA also continues to support the school by raising funds for our various projects. Dogwood Hill Baptist Church provided the Good News Club. The only new initiatives for 2010-2011 are to implement EDM Calendar Math in child development through second grade and to provide a 10 – 15 minute phonics/vocabulary block in 4th and 5th grade. As we journey to reach the summit, we want you to become more involved in our Title I parenting program which provides lots of materials and books for check out. Parenting workshops are offered from September – April.

Your continued support will help us travel faster in becoming a premier school.
